1. GRANT OF LICENSE: NCover LLC grants you the following rights provided that you comply with all terms and conditions of this EULA:

- A. Trial Period: You may install, use, access, display and run the Software for purposes of evaluation of the Software for a period of twenty-one (21) days from the date of installation of the Software to determine if the Software meets your needs. Upon completion of your evaluation or at the end of the 21-day trial period, whichever occurs first, you must do one of two things: either 1) purchase appropriate licenses for the Software in order to continue use of it; or 2) discontinue use of the Software, and uninstall the Software from any and all machines.

In the case where an end user uses multiple computers for development, you may install the Software on up to 2 additional computers for use by the same end-user. When using the Software in an unattended build environment, each computer on which the Software is installed must have a separate license.
 - C. Software Transfer: You may transfer the Software to a different internal workstation or user so long as you have purchased a License for each such workstation or user. You may not, however, transfer the Software to a Third Party.
- 1.1 NCover Classic License: You must have at least one NCover Classic license per copy in order to install, use, access, display and/or run NCover with the Classic feature set enabled.
- 1.2 NCover Complete License: You must have at least one NCover Complete license per copy in order to install, use, access, display and/or run NCover with the Complete feature set enabled.

2. LIMITATIONS: You may not use, copy, modify, display, rent, lease, loan, transfer, distribute, download, merge, or make any translation or derivative work of the Software, except as expressly provided herein. You may not reverse engineer, decompile, or disassemble the Software, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

3. INTELLECTUAL PROPERTY RIGHTS AND CONFIDENTIALITY: The Software, including methods, processes and/or techniques utilized therein, are owned by, proprietary to, and valuable trade secrets of NCover LLC and are protected by US copyright law and international treaties. You agree to take no actions that impair or infringe NCover LLC's intellectual property rights in the Software. You agree not to remove, efface or obscure any copyright notices, other proprietary markings or confidentiality legends placed upon or contained within the Software.

6. LIMITATION ON REMEDIES: Within the first thirty (30) days after your receipt of the Software, should you encounter and report to Code's Edge within such time period a reproducible error that causes the Software not to perform in all material respects as set forth in the Software documentation, then NCover LLC will, at its sole discretion, either: a) resolve the error or malfunction, and modify or replace the Software (if deemed necessary by NCover LLC); or b) allow you to terminate this EULA with respect to the non-conforming Software and, upon your return of the Software to NCover LLC, NCover LLC shall provide you with the lesser of a) the actual damages incurred by you; or b) the amount you paid for the non-conforming Software.
